

# CYRUS the VIRUS

Eszter Perenyi

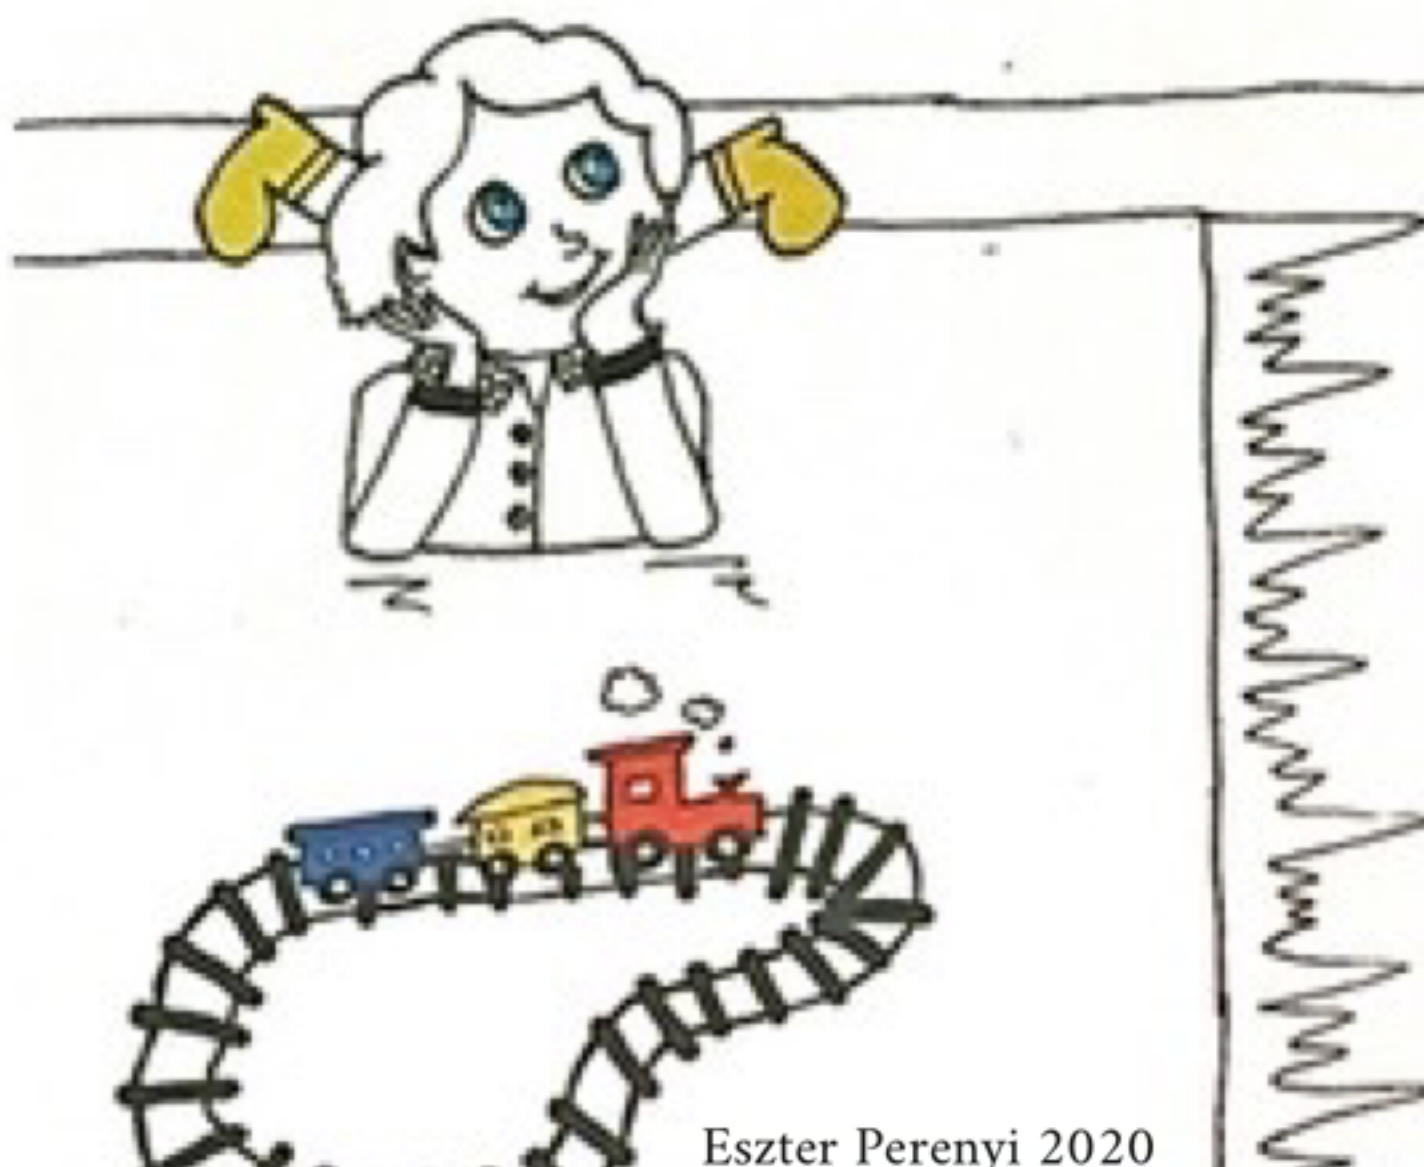

& Oscar

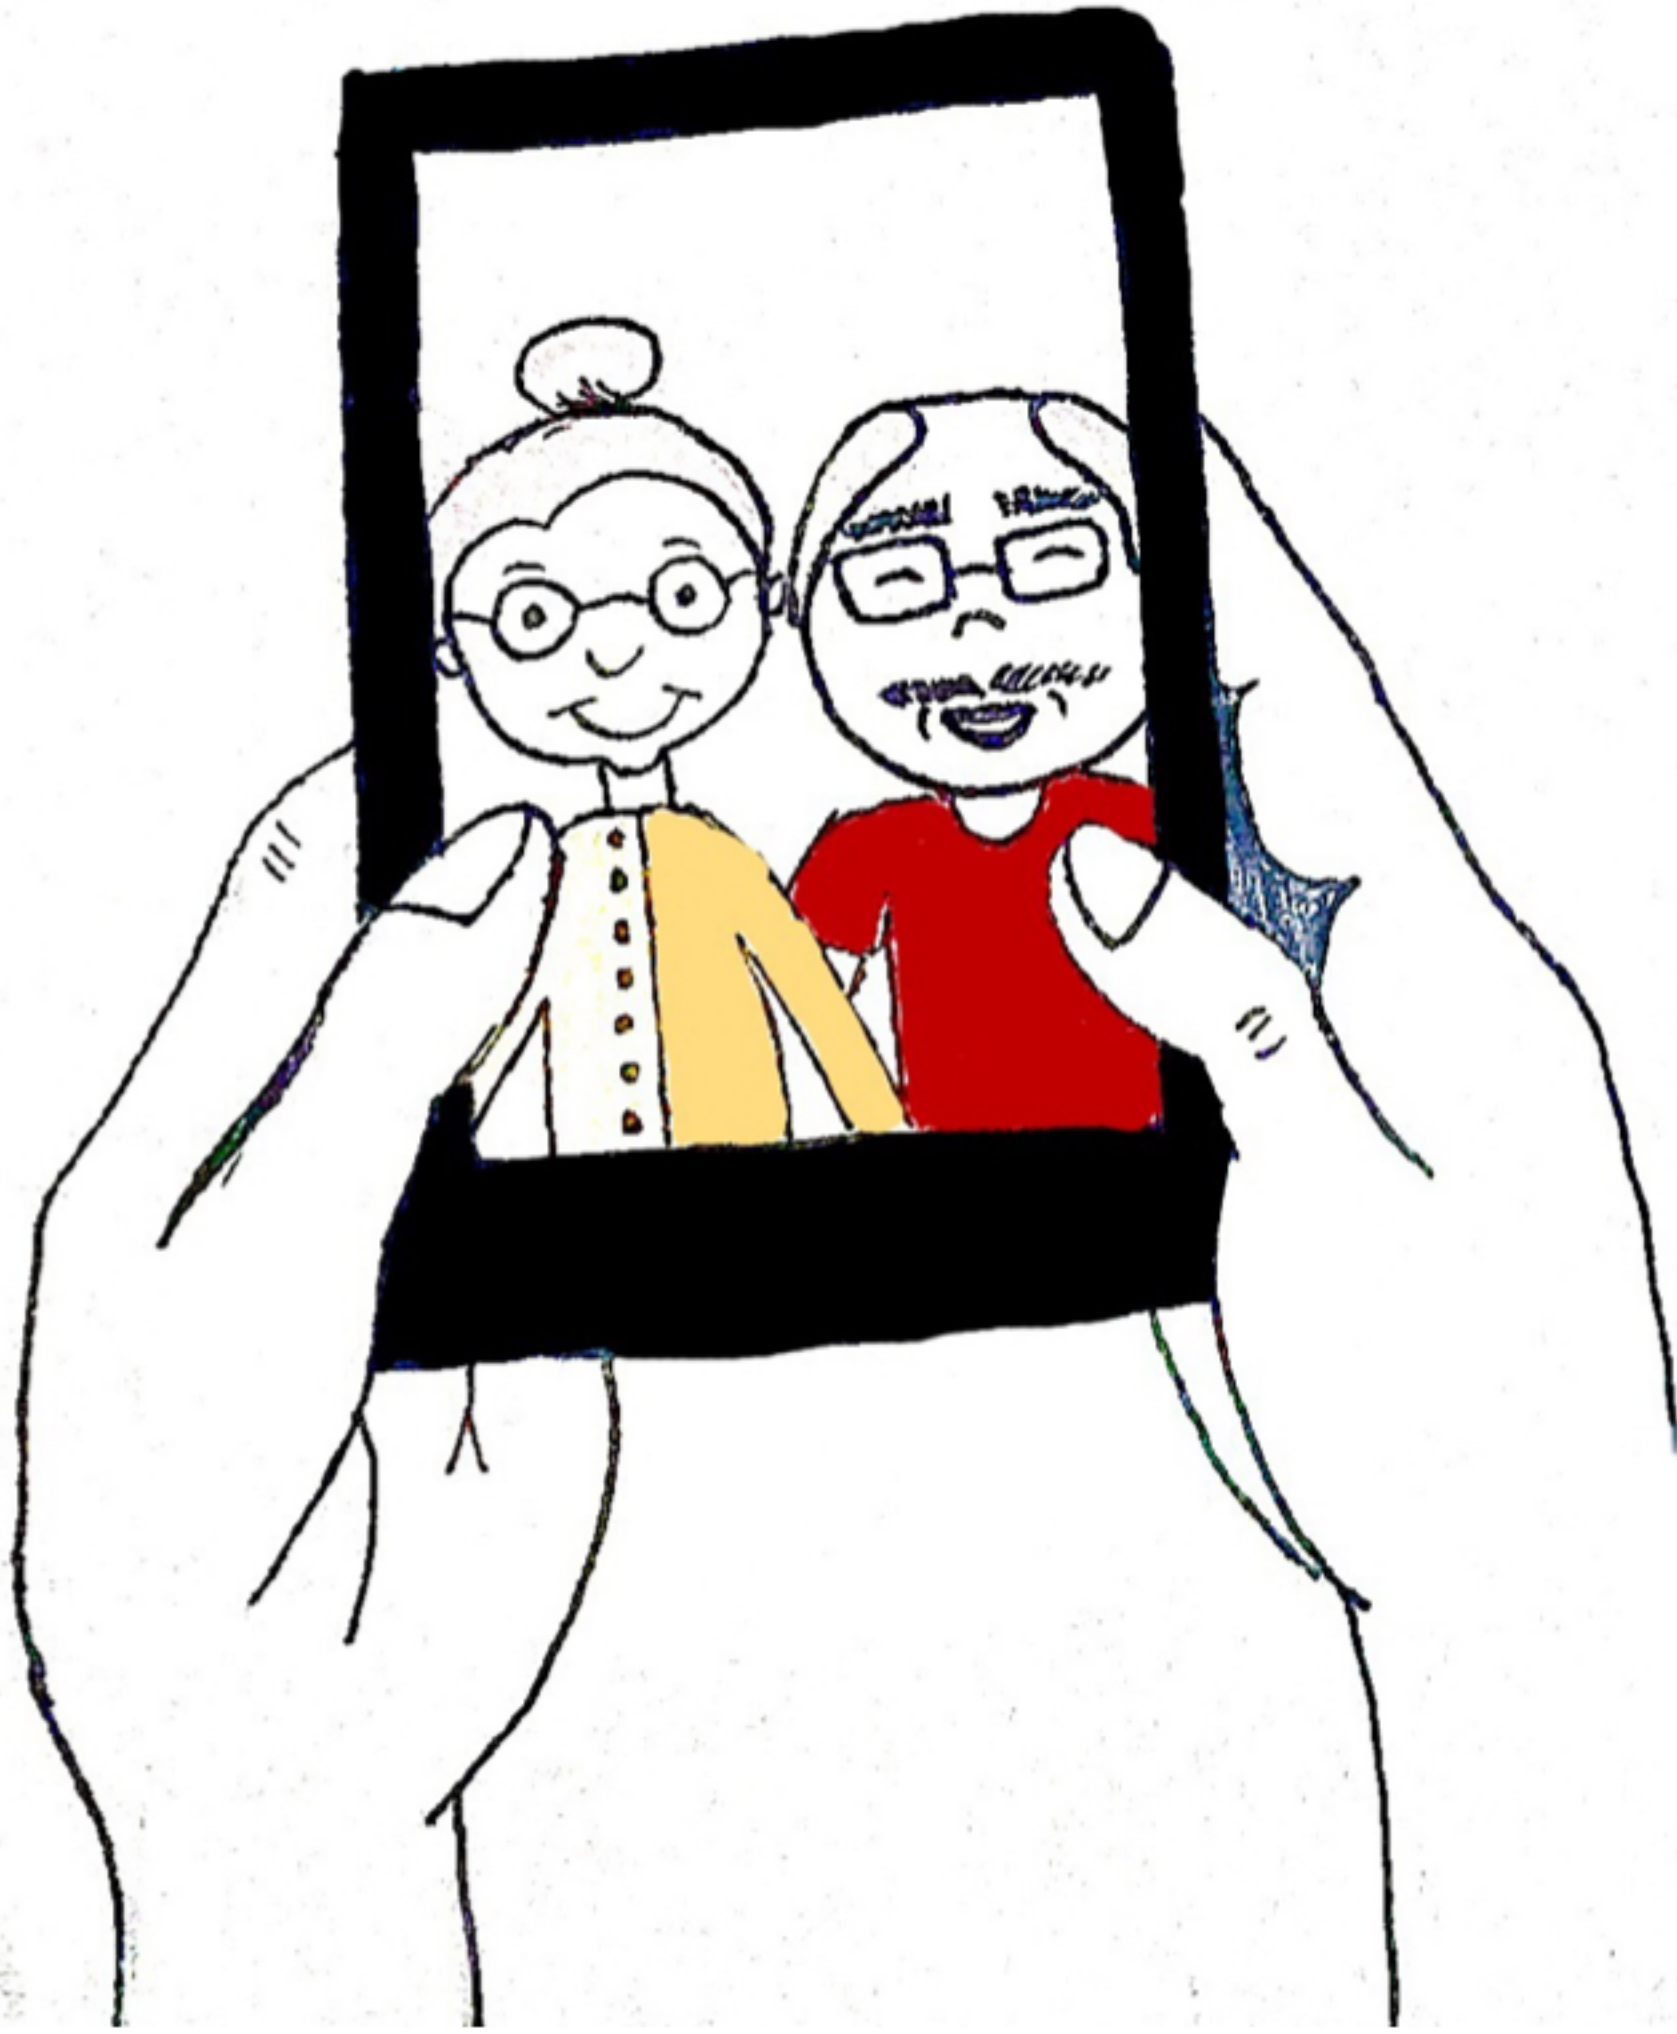

One day a strange thing happened, I  
really can't explain,  
About something called a 'virus' I think  
I heard them saying,  
And whilst I didn't get it, I knew that it  
was strange,  
Because everything was different and I  
noticed lots of change,

Like, mummy said she's sorry, but we can't go to the playground,

And now we can't go out to play, or have our friends around,

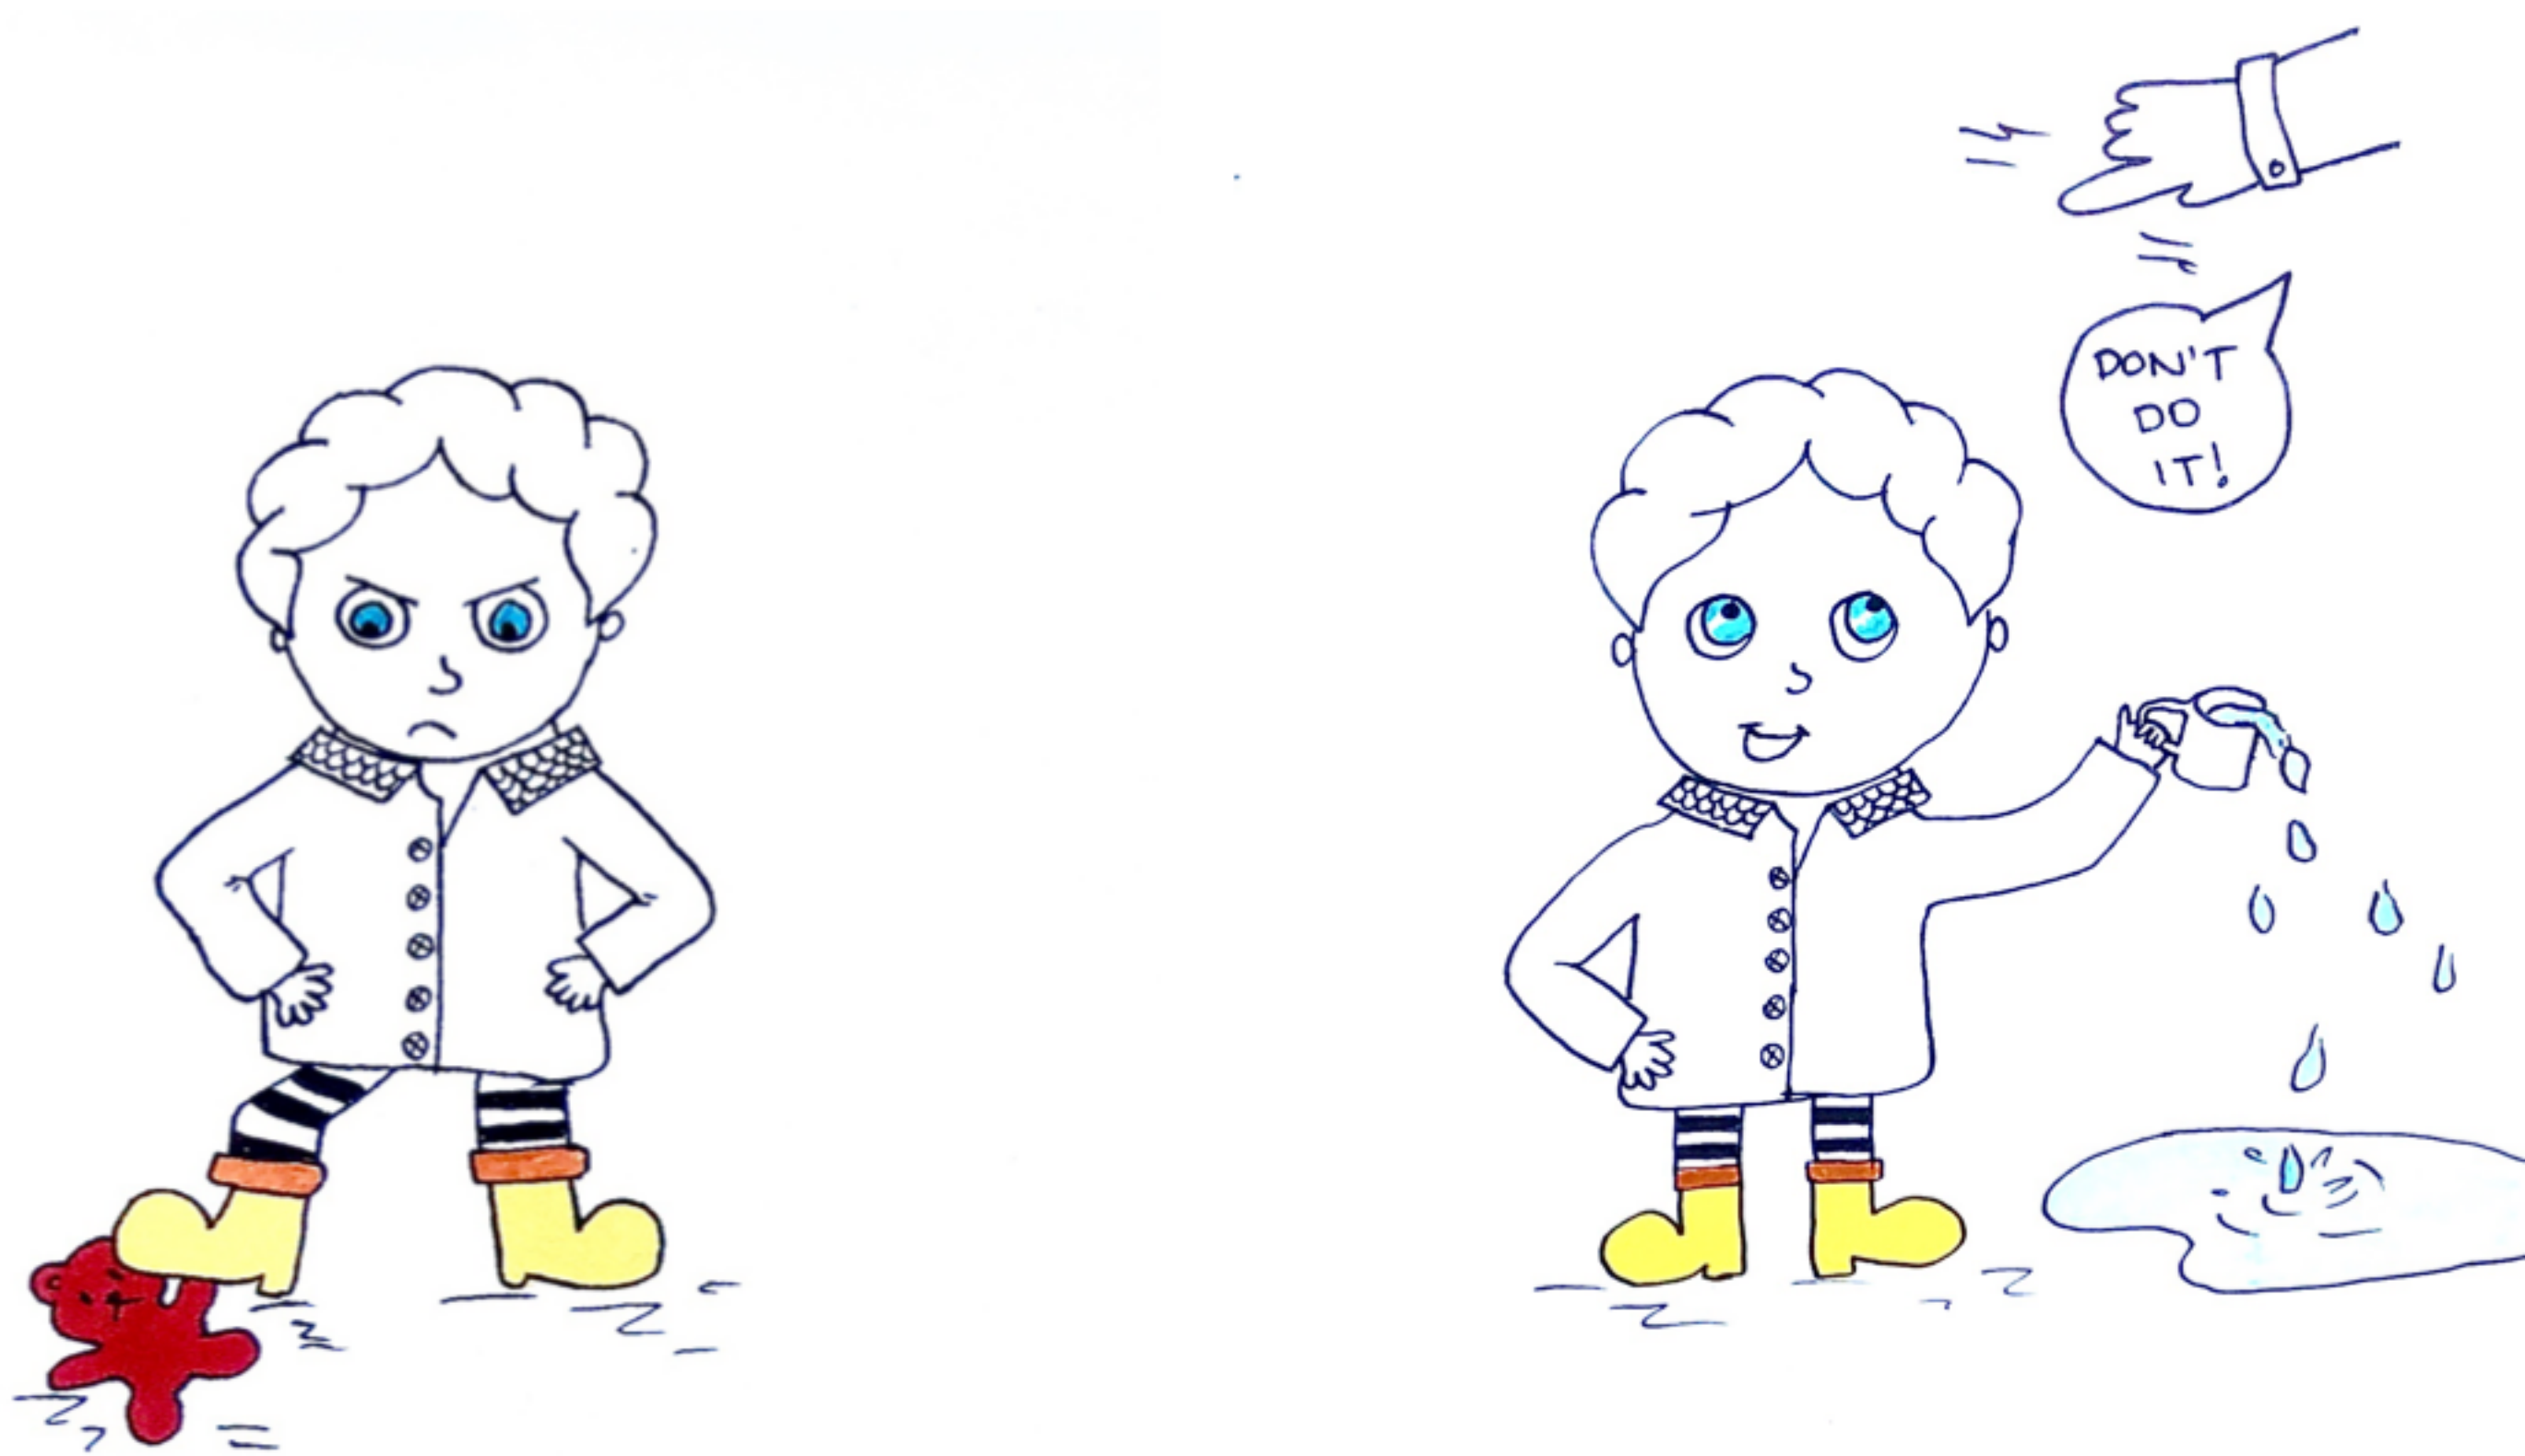

I only see my  
grandparents  
over the  
telephone,

And the  
members of my  
family, are  
suddenly all  
home.

That's it! I've had it! I need some answers  
now!

So I told them what I needed...in the best  
way I knew how...

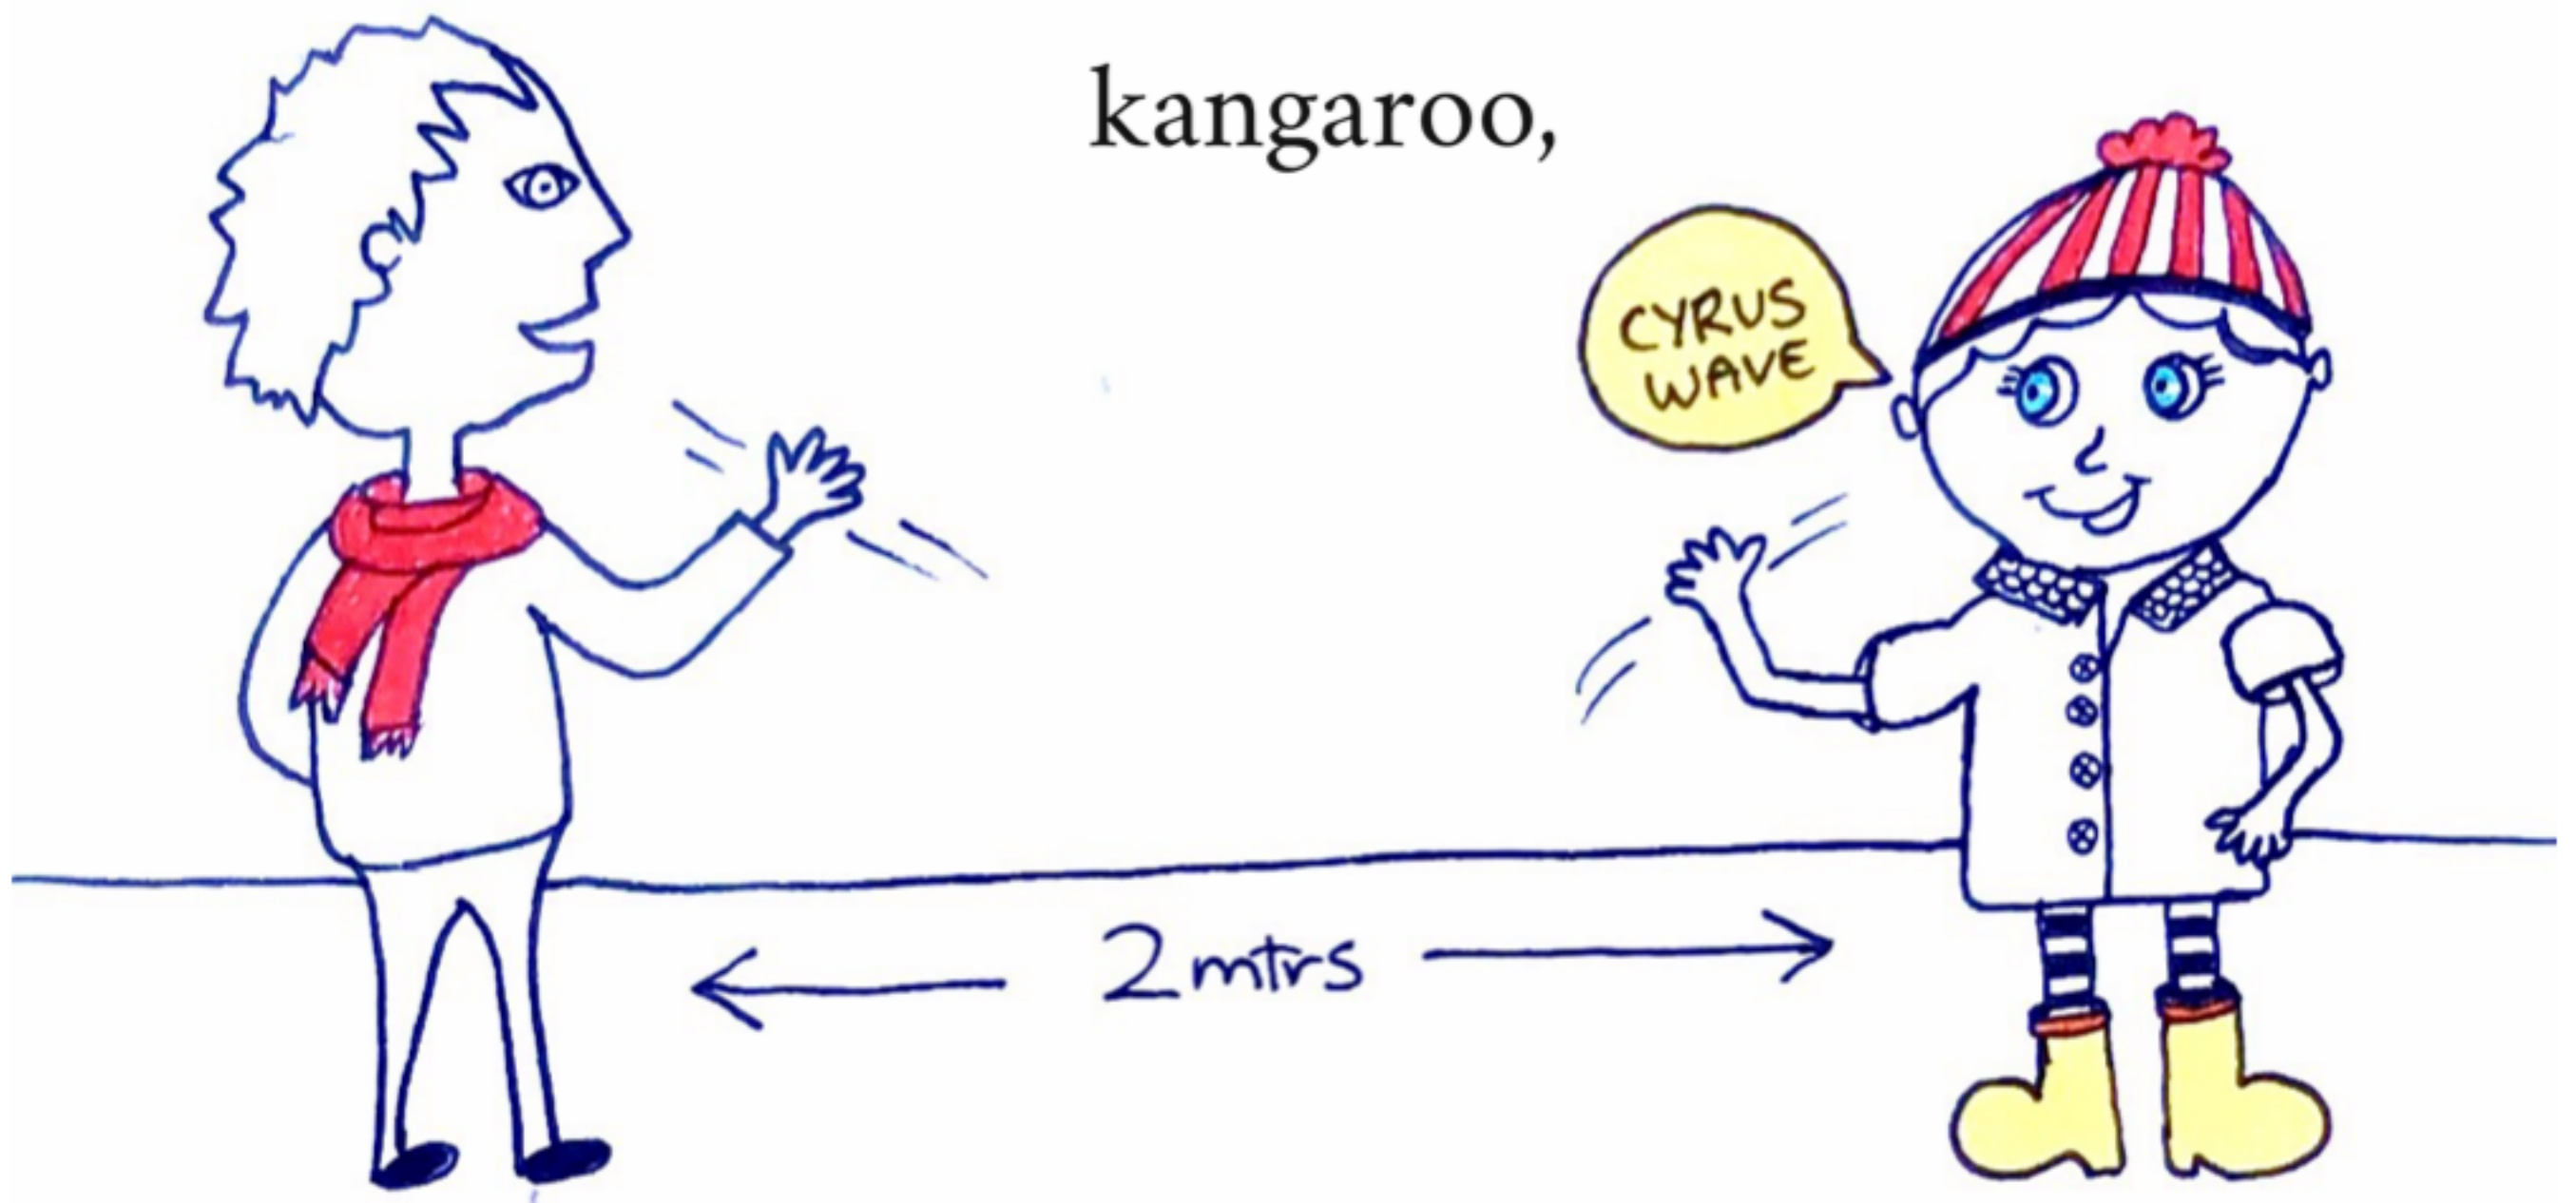

So Mummy wrapped her arms around me,  
and she told me about Cyrus,  
She said he's pretty naughty, he's  
something called a virus,  
She told me Cyrus came to earth from  
someplace far away,  
And he was spreading bugs around, each  
and every day.

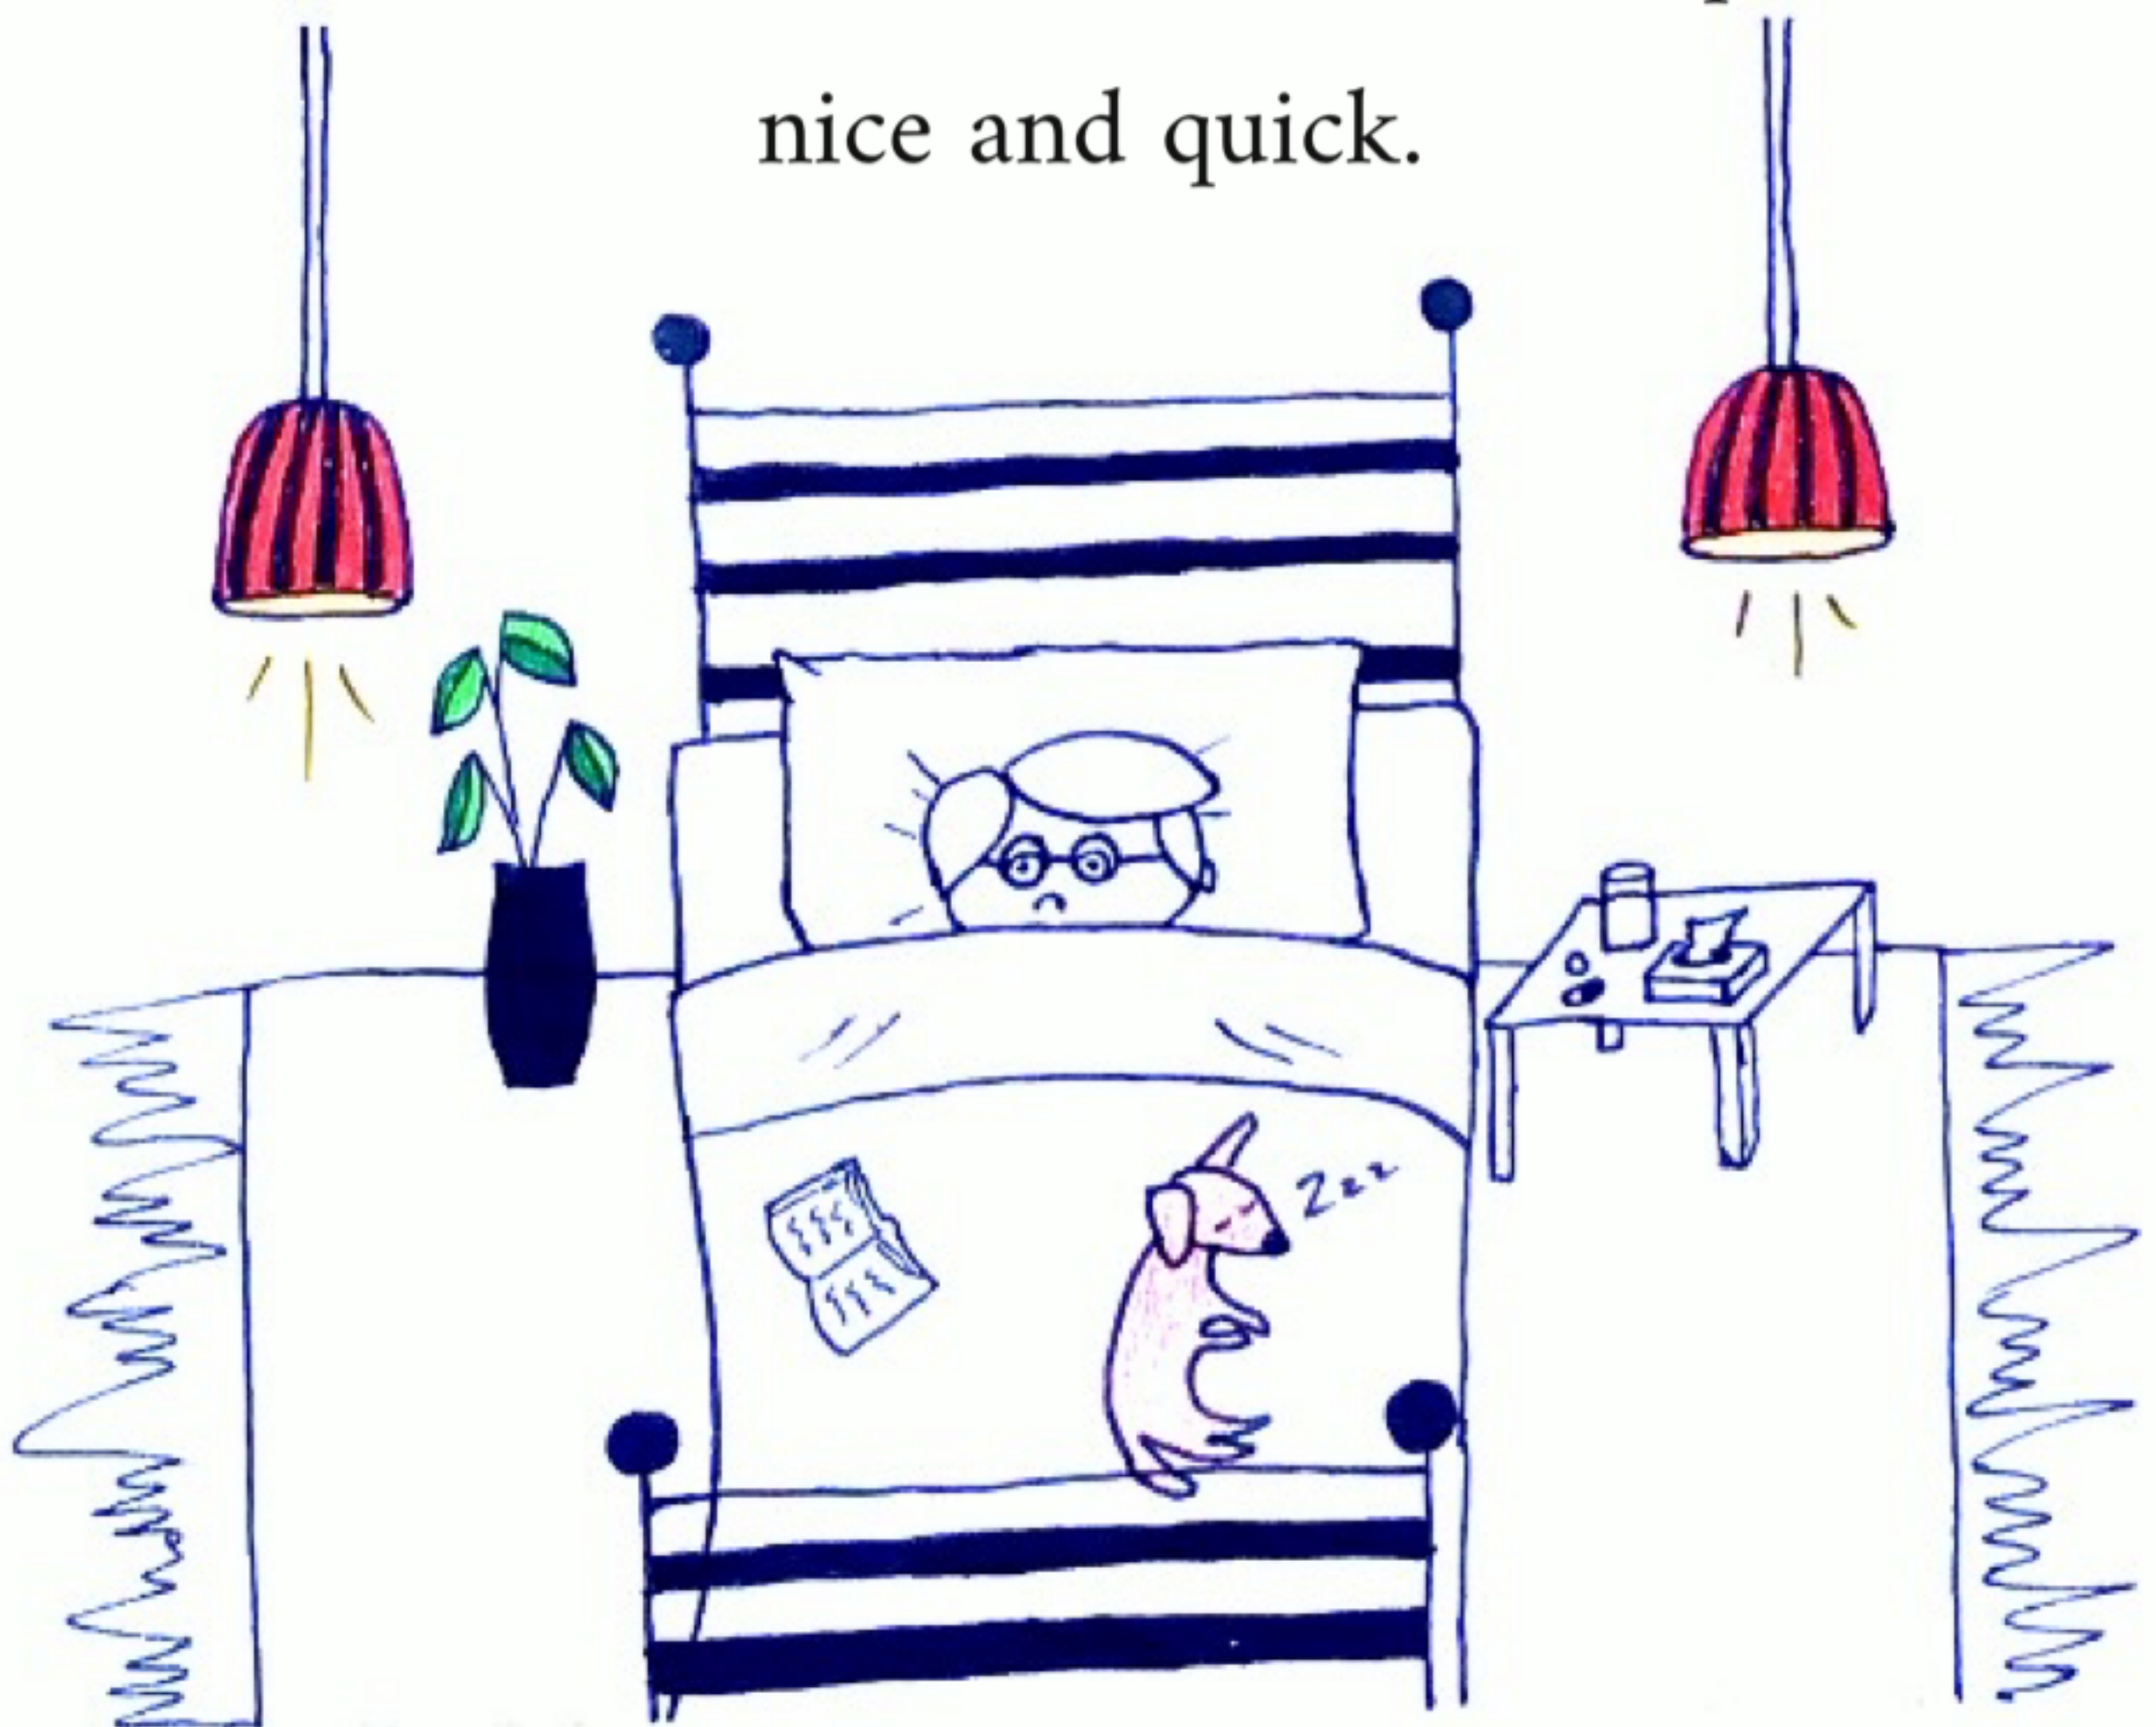

That's why you hear us talking, about what  
we should do,

To stop Cyrus jumping between us, like a  
kangaroo,

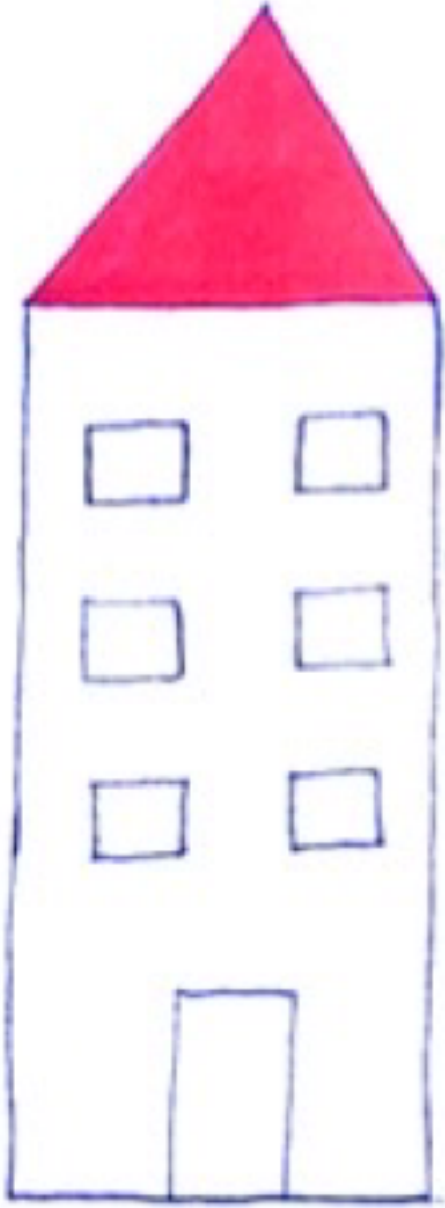

When naughty Cyrus leaves his bugs, it can  
make people sick,

But this is what we can do, to stop him  
nice and quick.

stay home

**1.**

Stay at home and play lots,  
with all your lovely toys,  
Everyone is doing it, all the  
girls and boys

**2.**

Wash your hands with  
water, lather them in  
soap,  
This sends Cyrus  
running, yelling "oh no  
no no NOOOPE!"

**3.**

Only hug the people,  
who you live with at  
home, and speak to  
others that you love, on  
the telephone

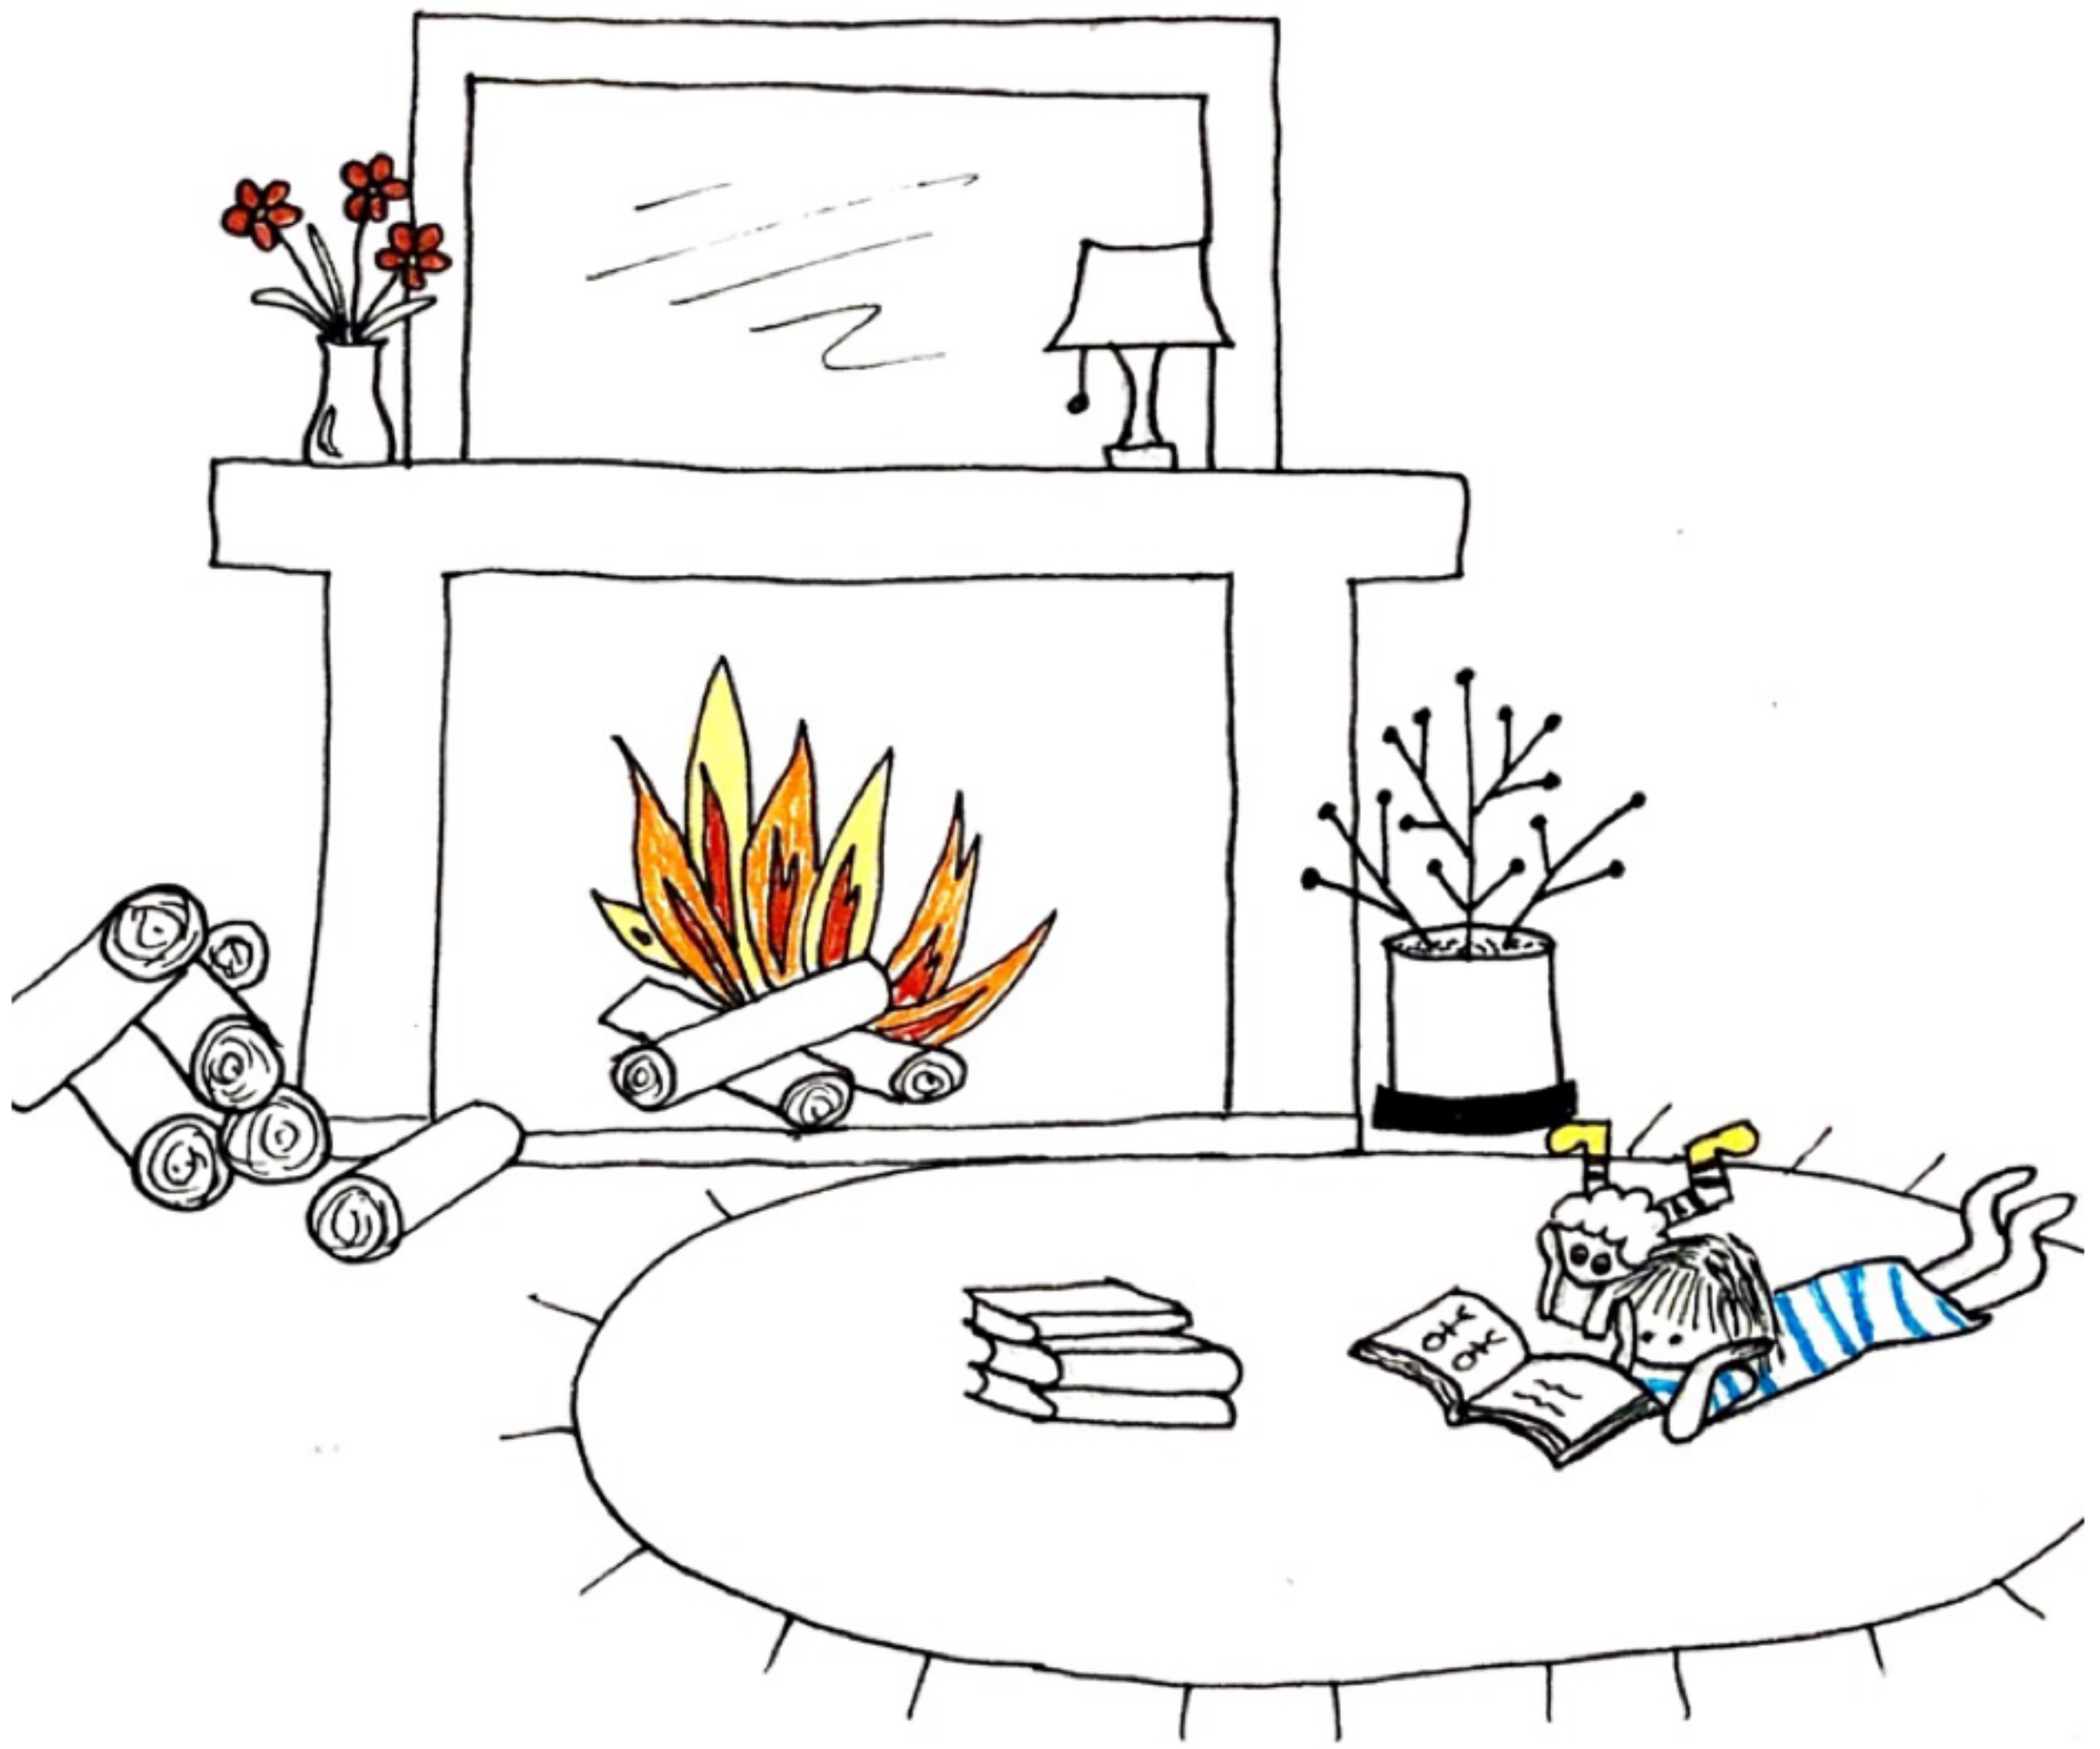

Because if we do this, then Cyrus cannot  
spread,  
On our earth any longer, so he'll go home  
instead!

It's okay to feel unsure, or maybe a bit  
saddened,  
But this is not your fault, it's just  
something that has happened.

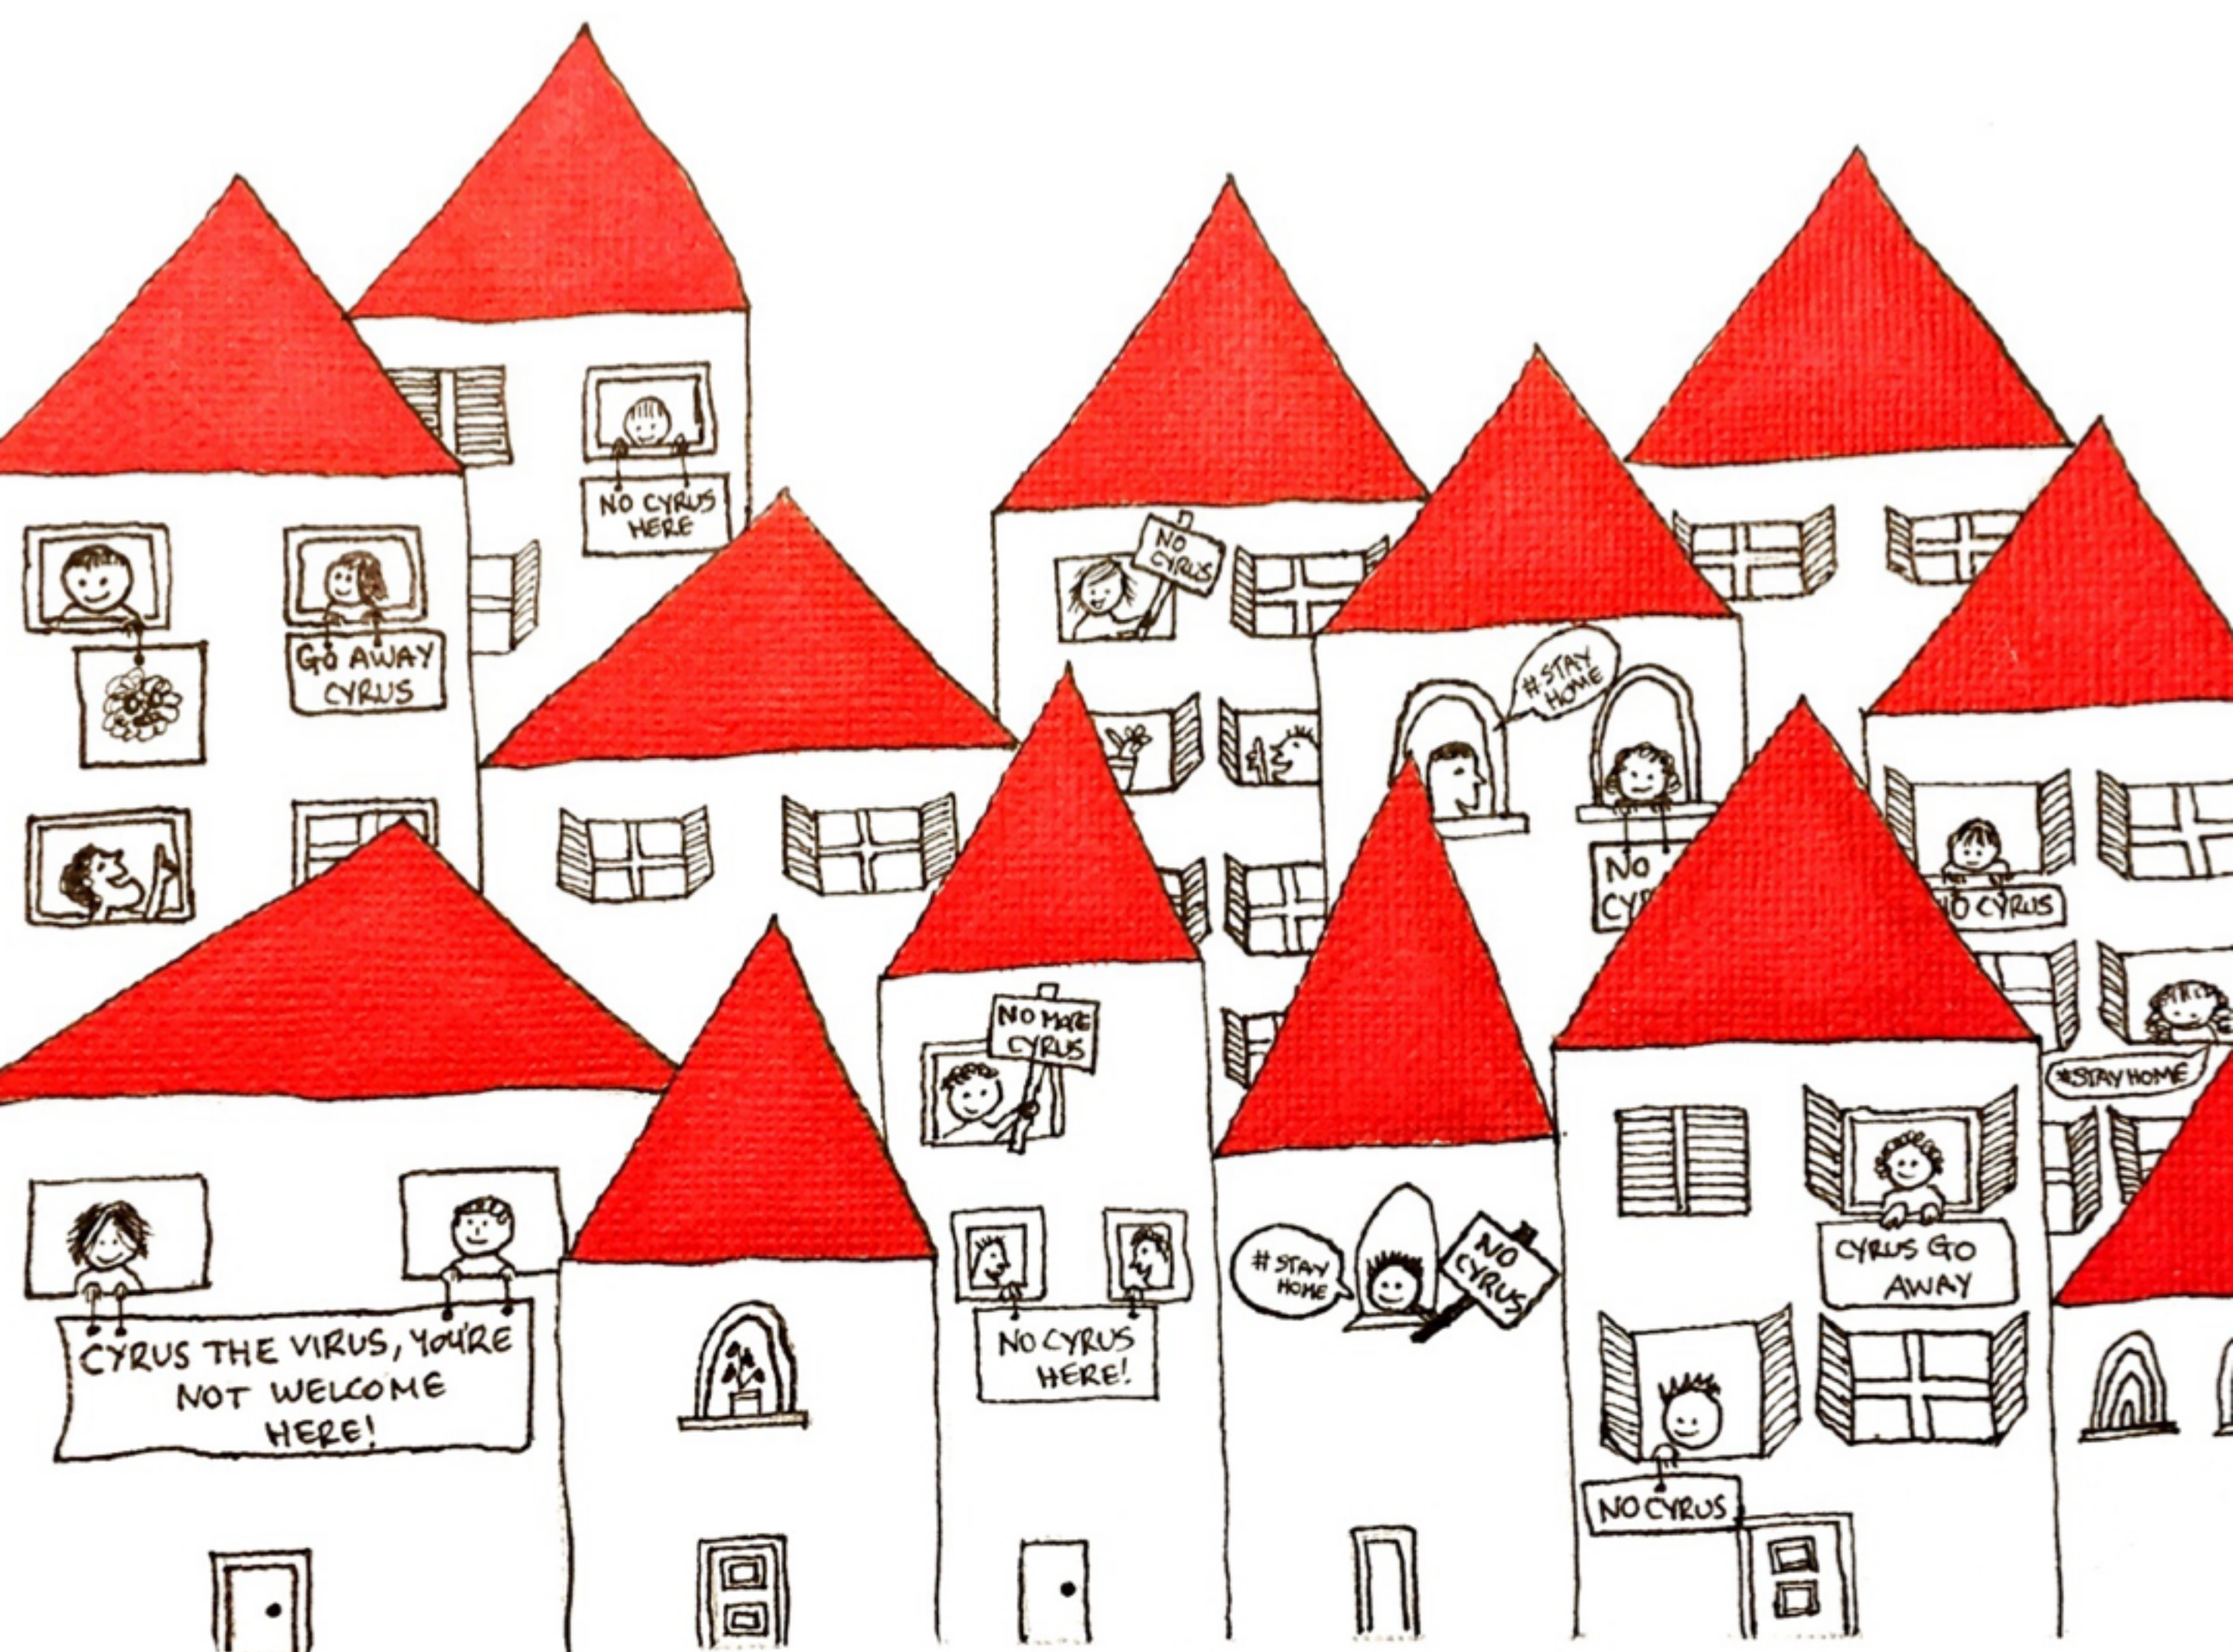

Soon Cyrus will go back, or he'll be under  
control,

And we'll be back to normal, having  
reached our main goal.

So don't worry my darling, keep your head  
up and smile,

We'll play games at home, and cozy up for  
a while,

And know the world is working hard to  
make him disappear,

Because;

**CYRUS THE VIRUS  
YOU'RE NOT WELCOME  
HERE!**

Can you draw a picture of Cyrus, or maybe make  
some banners,  
Telling him to go away and consider better  
manners.
